CV and FILMOGRAPHY

Summary:

In the 70/80ties I learned acting among others by Gaetano Cartollaro, an ex-member of the "theatre du soleil" Paris from Arianne Mnouchkine. The next phase was the trainings by Teresa Nawrot from the Grotowsky Ensemble Warsaw. In the middle of the 80s I found a theatre in Berlin with Teresa Nawrot and colleagues.

Since 1991 I work as a freelancing director and cameraman. Most of the projects were TV-News, TV-Reports or documentaries and commercials for different companies.

I did documentaries in the Ex-Yugoslavian war, most in Sarajevo from End of 1993 - 1996. Another documentary developed on a 3 months „Expedition of South-West Africa“ for the DASERSTE/ARD show „Menschen, Länder, Abenteuer“.
